Part I: Human Health Lifecycle Awards (Individual & Clinical Excellence)

Pillar 1: Stay Well — Prevention, Lifestyle & Wellness

Tick	Award Category	Description & Criteria
☐	**Integrative Wellness Practitioner of the Year**	Exemplary holistic practice combining evidence-based preventive therapies and patient wellness empowerment.
☐	**Preventive Medicine Specialist of the Year**	Outstanding clinical dedication to early screening, health risk reduction, and proactive disease prevention.
☐	**Lifestyle Medicine Physician of the Year**	Pioneering therapeutic lifestyle interventions to treat, reverse, and prevent chronic lifestyle illnesses.
☐	**Nutrition & Wellness Consultant of the Year**	Excellence in functional nutrition, clinical dietary guidance, and metabolic health counseling.
☐	**Mental Wellness Advocate of the Year**	Dedicated leadership in community psychological resilience, emotional well-being, and mental healthcare.

Pillar 2: Get Well — Clinical Excellence, Diagnostics & Care

Tick	Award Category	Description & Criteria
☐	**Integrative Medical Specialist of the Year**	Bridging conventional medicine and evidence-informed complementary therapies to optimize patient care.
☐	**Primary Care Clinician of the Year**	Excellence in accessible, patient-centered frontline healthcare delivery and community diagnostic care.
☐	**Clinical Diagnostics Specialist of the Year**	Leadership and innovation in laboratory diagnostics, imaging precision, and early disease detection.
☐	**Allied Health Professional of the Year**	Exceptional clinical expertise across physical, occupational, clinical psychology, or dietary therapy.
☐	**Clinical Research & Evidence Pioneer**	High-impact research, clinical trials, or translational publications advancing integrative healthcare.

Pillar 3: Recover Well — Rehabilitation, Functional Recovery & Pain Management

Tick	Award Category	Description & Criteria
☐	**Rehabilitation Physician of the Year**	Transformative clinical leadership in post-acute rehabilitation, neuro-recovery, and functional restoration.
☐	**Pain Management Practitioner of the Year**	Pioneering multi-modal, evidence-based interventions in chronic and acute musculoskeletal pain relief.
☐	**Physiotherapy & Mobility Specialist of the Year**	Excellence in biomechanics, sports therapy, functional mobility, and injury recovery protocols.

☐	**Post-Operative Care Specialist of the Year**	Outstanding transitional care protocols improving patient recovery, wound healing, and hospital step-down.
☐	**Functional Medicine Practitioner of the Year**	Root-cause diagnostics and personalized biochemical restoration protocols for chronic condition recovery.

Pillar 4: Age Well — Healthy Longevity, Vitality & Geriatric Care

Tick	Award Category	Description & Criteria
☐	**Longevity Medicine Practitioner of the Year**	Pioneering clinical interventions in cellular vitality, healthspan extension, and biological age optimization.
☐	**Geriatric Health Specialist of the Year**	Compassionate, holistic, and dignified medical care tailored to the needs of ageing populations.
☐	**Vitality & Anti-Ageing Specialist of the Year**	Evidence-grounded anti-ageing protocols supporting physical vitality, hormonal balance, and energy restoration.
☐	**Cognitive Health Advocate of the Year**	Dedicated advocacy and clinical programmes targeting neuroprotection, memory retention, and dementia prevention.
☐	**Community Ageing Champion of the Year**	Empowering senior citizens through social engagement, active ageing activities, and independent living advocacy.

Part II: Corporate & Ecosystem Awards (Enterprise & Organizational)

Pillar A: Corporate Excellence & Healthcare Leadership

Tick	Award Category	Description & Criteria
☐	**Healthcare Enterprise of the Year**	Recognising an outstanding healthcare organisation demonstrating leadership, ethics, and sustainable growth.
☐	**Integrative Healthcare Facility of the Year**	State-of-the-art medical centre or clinic setting benchmark standards in multidisciplinary integrative care.
☐	**Wellness Brand of the Year**	Exemplary consumer brand trusted for high product integrity, clinical credibility, and market excellence.
☐	**Corporate Health & Well-being Employer of the Year**	Best-in-class workplace wellness policies, mental health support, and proactive employee health programmes.
☐	**Sustainable Healthcare Initiative of the Year**	Demonstrating environmental stewardship, ESG integration, and sustainable operational practices in healthcare.

Pillar B: Healthcare Technology & Innovation

Tick	Award Category	Description & Criteria
☐	**HealthTech Innovation of the Year**	Breakthrough digital health software, telemedicine platforms, or AI applications transforming healthcare delivery.
☐	**MedTech Solutions Provider of the Year**	Cutting-edge medical diagnostic devices, surgical instruments, or assistive healthcare technologies.
☐	**Digital Health Platform of the Year**	User-centric digital solutions enhancing clinical data management, remote monitoring, and care coordination.
☐	**Longevity Science Enterprise of the Year**	Innovative biotechnology or life-sciences enterprise pioneering cellular rejuvenation and longevity science.
☐	**Smart Clinic / Smart Hospital of the Year**	Seamless integration of IoT, automation, and digital intelligence into modern healthcare facility operations.

Pillar C: Healthcare Workforce & Education

Tick	Award Category	Description & Criteria
☐	**Healthcare Education Provider of the Year**	Academic or vocational institutions delivering premier healthcare training, curricula, and professional accreditation.
☐	**Continuing Medical Education (CME) Pioneer**	Outstanding leadership in evidence-based medical workshops, seminars, and clinical upskilling programmes.
☐	**Clinical Mentorship & Leadership Award**	Exemplary mentorship programmes empowering younger medical practitioners and allied healthcare teams.
☐	**Nursing & Caregiver Excellence Organisation**	Unwavering commitment to quality nursing care, specialized caregiver training, and patient compassion.
☐	**Healthcare Research & Development Facility of the Year**	World-class translational R&D; facilities accelerating medical discovery, formulation, and clinical breakthroughs.

Pillar D: Ecosystem & Value Creation

Tick	Award Category	Description & Criteria
☐	**Healthcare Ecosystem Builder of the Year**	Fostering strategic cross-sector collaborations between private, public, and academic stakeholders in health.
☐	**Social Impact Healthcare Programme of the Year**	High-impact CSR or community initiatives providing medical access and wellness care to underserved groups.
☐	**Healthcare Media & Public Awareness Champion**	Accurate, impactful, and evidence-informed health journalism educating the public on integrative health.
☐	**Preventive Health Product of the Year**	Scientifically validated nutraceuticals, functional formulations, or wellness products with proven clinical efficacy.
☐	**Lifetime Healthcare Economy Impact Award**	A distinguished lifetime legacy of leadership, service, and enduring transformation across Malaysia's health economy.
